	Roll	19.80	x 15.00	Height x Diameter(cm)	1.13
	Sheet	165.00	x 19.80	Length (m) x Width(cm)	

Product Description

Elevate your washroom experience with trusted and familiar Scott® Control™ washroom solutions, designed to support compliance control in the workplace. Scott® Control™ Slimroll™ rolled hand towels are designed for space constrained environments where workplace hygiene and washroom hygiene is a priority. The brand embossed, gentle 1 ply paper towel roll is designed to be kind to the skin, offering added softness for repeated hand drying which in turn helps to increase staff hand hygiene compliance. Scott® Control™ Slimroll™ hand towels are now stronger and last longer. The unique Airflex™ Technology embedded within the disposable hand towels offers superior absorbency resulting in efficient and effective hand drying that creates less waste. Food contact and European Ecolabel certified. Scott® Control™ Slimroll™ paper hand towel rolls are compatible with the one-wipe-clean Aquarius™ rolled hand towels dispenser in white (code 7955) or black (code 7956), a more compact and our most hygienic paper towel dispenser available. This dispenser is fully enclosed which ensures users will only ever touch the hand towel they are using when drying hands, and our touch free dispensers reduce the risk of cross contamination to further support hygiene standards. Efficiency is not compromised with Scott® Control™ Slimroll™ white paper towel roll. The innovative never-run-out replacement roll feature in the compatible Kimberly-Clark™ hand towels dispensers allows you to place a replacement roll in the system before the original roll has finished, ensuring a smooth transition between rolls to minimise waste and ensure there are no gaps in your user's ability to maintain hygiene standards. 6 x 165m = 3,960 sheets, white, 1 ply Slimroll™ rolled hand towels (990m total)

Product Features

- Each Slimroll™ white paper towel roll contains 165m of 1 ply, embossed, disposable hand towels, equivalent to 660 paper towel sheets
- Food contact and European Ecolabel certified
- These gentle rolls are now stronger and last longer.
- Scott® Control™ gentle, brand embossed rolled hand towels are now stronger, last longer and are kind to the skin for frequent hand drying in environments where hand hygiene compliance is critical
- Compatible with the one-wipe-clean Aquarius™ hand towel roll dispenser in white (7955) or black (7956), a more compact and our most hygienic dispenser available
- The Airflex™ Technology in these paper towels offers superior absorbency resulting in efficient and effective hand drying that creates less waste and reduces the risk of cross contamination
- Brand embossed and designed to be kinder to hands to actively encourage hand hygiene compliance.

International Standards and Symbols

Solution

Healthier Workplace

The HEALTHY WORKPLACE PROJECT* is a comprehensive office hygiene programme which helps engage employees and reduce sickness.

Standard R+E

Food Contact Regulations

This product is suitable for food contact and complies with Regulation (EC) No. 1935/2004. Furthermore, nitrile rubber gloves comply with Regulation (EC) No. 10/2011 and German Recommendation, BfR No. XXI, and paper products comply with German Recommendation, BfR No. XXXVI.

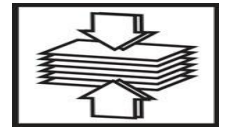

AIRFLEX* Technology

AIRFLEX*

Compression

KIMBERLY-CLARK PROFESSIONAL* is using new air compression technology to fit up to 18% more paper hand towels into each case, resulting in a range of commercial and environmental benefits. The technology is being applied across a range of KLEENEX and SCOTT Hand Towels manufactured using AIRFLEX* Fabric. Compressed AIRFLEX* Fabric towels will continue to offer superior absorbency and strength and outstanding levels of hygiene and comfort. Along with the following additional benefits: Environmental, it means more towels per truck so fewer trucks on the road. Packaging waste is also reduced. End-users will now need to use less warehouse storage space for the same amount of hand towels, while more towels in each sleeve will mean fewer refills are required.
