	Roll	31.50	x 28.40	Height x Diameter(cm)	3.55
	Sheet	38.00	x 31.50	Length x Width(cm)	

Product Description

No matter which surfaces they come into contact with throughout their day, give your employees and visitors greater peace of mind by providing proven cleaning and disinfecting workplace hygiene solutions to help break the chain of germ transmission. The WypAll® X60 Range has been specially designed as a lightweight, durable blue cloth designed to tackle a variety of light-duty wiping tasks. Leading the way in versatility, our goal is to support you in improving productivity and efficiency whilst reducing waste by delivering a clean, reliably consistent and reusable cloth. Advanced Hydroknit™ technology ensures each cleaning cloth is lightweight yet absorbent, helping to reduce residue and allowing versatile cleaning across a variety of tasks. Perfect for use in industrial manufacturing, the reusable cloth is ideal for removing light oil, adhesives and debris and equally suitable for cleaning gloss and as window cleaning cloths for glass surfaces. WypAll® X60 cloths can be used with detergent or disinfectant. These reusable cleaning cloths have been tested as compatible for use in spray and wipe application with peracetic acid, hydrogen peroxide, bleach (sodium hypochlorite) and quats (quaternary ammonium compounds). Spray and wiping compatibility helps to ensure workers can wipe their own work spaces, vehicles, desks, seating and food prep areas before and after use. When the WypAll® X60 cloths are used for spray and wipe it also helps to enable production workers to clean down/sanitise individual workstations before hand-off to next shift. For environments where fully saturated wiping is a requirement, these WypAll® cleaning cloths are tested as compatible with soap/detergent, hydrogen peroxide, peracetic acid, methyl ethyl ketone, isopropanol, acetone and bleach (sodium hypochlorite). Always follow manufacturers' instructions for dilution, application and contact time. These high capacity, large blue roll Kimberly-Clark™ wipers are compatible with Kimberly-Clark Professional™ wall mounted dispenser (6146), floor standing dispenser (6154) and also Kimberly-Clark Professional™ mobile roll dispenser, providing the product where you need it when you need it. Each individual cleaning cloth size 38cm (L) x 31.5cm (W). 1 Large Blue Roll x 500 Blue, 1 Ply Cleaning Cloths

Product Features

- Each WypAll® X60 large blue roll contains 500 blue, 1 ply, reusable cleaning cloths
- These industrial cleaning cloths are ideal for removing light oil, adhesives and debris and equally suitable for cleaning gloss and as window cleaning cloths for glass surfaces
- A highly versatile cleaning cloth, designed for light and general wiping tasks in industrial manufacturing
- Available in a high capacity large blue roll, WypAll® X60 cleaning cloths are compatible with a variety of Kimberly-Clark Professional™ wiper dispensers including the mobile roll dispenser, providing the product just where you need it
- Advanced Hydroknit™ Technology ensures each reusable cleaning cloth is strong and fast absorbing
- Rectangular sheets with raw edges made of chemically untreated and unmodified cellulose fibers and polypropylene
