

Previously known as: ProFood®78-110

Cold

Light Duty

Seamless, thermal glove liners, ensuring comfortable personal protection in cold, damp conditions

- **Advanced thermal protection:** ActivArm® insulated gloves liners' hollow-core fibers provide excellent thermal insulation, protecting hands from cold temperatures in damp conditions
- **Elevated comfort:** A breathable polyester liner and automatic knit technology mean these thermal glove liners ensure comfortable everyday hand protection
- **Genuine practicality:** ActivArm® 78-110 glove liners' seamless design and ambidextrous fit makes them especially convenient to use
- **Certified cold resistance:** Satisfying EN 511-010 contact cold standards, they grant users reliable hand protection in cold, damp environments
- **Food handling compliance:** They are also FDA-approved food handling gloves, making them appropriate for food processing applications

Industries

- Food Processing

Applications

- Cold Storage
- Outdoor Winter Use
- All food processing applications that have food contact

Previously known as: ProFood®78-110

Key Features

- **Hollow-core fibers:** For consistently warm thermal liners
- **Automatic knit technology:** Truly comfortable extended wear
- **Seamless, ambidextrous design:** Dexterity, flexibility and practicality

Vulcanization Chemical Accelerators

- Natural rubber proteins

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.

Performance Standards & Regulatory Compliance

REACH Compliant
