	Sheet	41.80	x	28.30			Length x Width(cm)	

Product Description

No matter which surfaces they come into contact with throughout their day, give your employees and visitors greater peace of mind by providing proven cleaning and disinfecting workplace hygiene solutions to help break the chain of germ transmission. The WypAll® X60 wipes range are extended use cleaning cloths designed to be lightweight, durable and capable of tackling a variety of cleaning, disinfecting and general wiping tasks. These blue cleaning cloths are light duty versatile wiping cloths suited to contract cleaning, production and industrial environments and are ideal for cleaning light oil and grime. The 'pop-up' single sheet dispensing format of this box of wipes helps to ensure controlled usage of the non-woven wipes and helps to minimise grime/dirt touching the wipers. These WypAll® cloths have been tested as compatible for use in a spray and wipe application with peracetic acid, hydrogen peroxide, bleach (sodium hypochlorite) and quats (quaternary ammonium compounds). For fully saturated applications these cleaning wipes have been tested as compatible with soap/detergent, bleach (sodium hypochlorite), hydrogen peroxide, peracetic acid, methyl ethyl ketone, isopropanol and acetone. Always follow manufacturers instructions for dilution, application and contact time. Because bleach tends to destabilise, compatibility testing period was limited to 24 hours to reflect the usage instructions recommend by the bleach manufacturer. Advanced Hydroknit™ technology ensures these extended use cleaning cloths are lightweight yet absorbent, helping to reduce residue and allows versatile cleaning across a variety of tasks. Perfect for use as industrial wipers, the cloth is ideal for removing light oil, adhesives and debris and equally suitable for cleaning glass and gloss surfaces. Portable and ideal for smaller work spaces. Individual sheet size 41.8cm (L) x 28.3cm (W). 1 BRAG™ box x 200 cloths, blue (200 total)

Product Features

- Each BRAG™ box of wipes contains 200 blue, 1 ply extended use wiping cloths suitable for cleaning, disinfecting and general workplace hygiene tasks
- WypAll® cleaning wipes are designed to help you improve productivity and efficiency whilst reducing waste:
- Advanced Hydroknit™ Technology ensures these extended use cloths are fast absorbing and strong
- Clean, reliably consistent cleaning wipes supplied in a BRAG™ box system with single sheet dispensing designed to improve hygiene by minimising grime/dirt touching the cleaning wipes; portable and ideal for small work spaces
- These WypAll® X60 wipes are designed for contract cleaning and production environments as well as for use as industrial wipers; the blue cleaning cloths are ideal for cleaning light oil and grime
