

A person's arm wearing a blue nitrile glove is shown holding the top of a large, full blue plastic bag. The bag is crinkled and appears to be made of a heavy-duty plastic material. The background is a plain, light gray.

HYGO  **CLEAN**

CLEAN EVEN BETTER

Wipes, dispensers, disinfection: All from a single source!

Cloths made of viscose or microfibre

Viscose is pleasantly soft and the no. 1 among the nonwoven cloths. The material is **extremely absorbent**. So you always work quickly and effectively. Tip for heavy soiling: Use microfibre cloths. They are very robust and **abrasion resistant**.

3170

Wiping cloths Hygotex | viscose

- special nonwoven made of 100% viscose, textile quality
- **absorbent and heat resistant**
- tearproof, lint-free, recyclable

approx. 75 g/m², L: 40 x W: 38 cm

■ white
