# MORE SAVING & MORE SECURITY? SIGN A FRAMEWORK AGREEMENT NOW!

Protect yourself against market fluctuations and rising freight costs with **framework agreements & call orders** and always get the best price on your annual quantity – with guaranteed delivery!

**This is how it works:** If you decide on a framework agreement, you will receive the best price for all of your needs. You can also call up your goods at any time – the price remains stable. You determine the quantities, the delivery rhythm and only pay by call.

Profit 4-fold from framework agreements & call orders:

#### PRICE SAVING

You receive fixed and particularly favourable prices on your annual order quantity – especially for large purchase quantities a plus point.

#### NO STORAGE COSTS

Spare your own warehouse and save storage costs. We reliably take over the complete logistics service for you.

#### TIME SAVING

You like it efficient? So do we! Invest only 1 time per year for 15 min. in a framework agreement and get the remaining 364 days your goods automatically delivered by us.

#### MAXIMUM FLEXIBILITY AND SECURITY

Your ordered goods are guaranteed available for you. We deliver in your desired delivery rhythm – so that the goods are available to you when you need them.

Are you interested? Then get more planning security now and make an appointment with your customer advisor.
