New working and cut protection gloves

# ALLFOOD

Discover the diversity of allfood

**allfood** stands for disposable and cut-resistant gloves, which are specially certified for working with food. They are 100% food safe, oil and grease resistant and ideal for food processing and preparation of meat, fish, poultry, but also fruits and vegetables.

**HYGOSTAR**

ALLFOOD | nylon

- **maximum sensitivity**
- lightweight, breathable and exact thanks to flexible nylon fine-knit
- high quality material, especially approved for contact with food
- two-sided wearable
- ideal for all food areas and hygiene sensitive productions
